

WEST MONKTON & CHEDDON FITZPAINE PARISHES

JOINT NEIGHBOURHOOD PLAN

Supplementary survey - comment sheet

- 1) How can bus stops, planned as part of new developments, be improved to encourage more people to use existing and future bus services?

- 2) What sort/type of housing should be provided for the growing elderly population within the NP area?

- 3) Should light pollution be restricted, and dark skies promoted, within the existing and expanding urban parts of the NP area in addition to the rural parts? Yes/No

- 4) Is there a need for new public toilets with respect to any existing locations, or future areas to be developed, within the NP area and if so where?

5) Allowing that each new cycle way will be different, should it be lit?

Yes/No

Would you support the use of sensors so track is lit only when needed?

Yes/No

For Parish needs:

1. How could Public Toilets be financed? By: Parish precept/Management Company fee/Local Shops
